

The **Summer Junior Round Robin Challenge** was held on January 21st – 24th 2008 with perfect conditions and terrific performances by all that participated – perhaps inspired by the magnificent Australian Open Tennis! Some sections were hotly contested with a three way tie on wins in the Boys 12 Div 1 singles with the head-to-head result required to decide the second position in the final. In the finals, the Boys 14 Div 2 and 18's finals where titanic battles. Congratulations to all the winners.
