

REPORT ON CLUB CHAMPIONSHIP 2010

The Championships continue with the men's & ladies doubles to be played this Monday night about 6.00pm. This is the result of a marathon men's singles played yesterday. Eddy Kong & Ashwin Sharma treated us to the best singles match ever witnessed on our courts. Both players were totally spent after giving their all over three gut wrenching sets with Eddy prevailing in the end.

Congratulations to Eddy & Ashwin for the superb entertainment.

Although this match was the stand out, spectators also enjoyed some brilliant tennis from both senior & junior competitors in other events. The overall standard of play by our juniors was exceptional, highlighted by Devon Smeda's three set win over Callum Wedge in the Boys Open & Jodi Thatcher's win over the valiant Agatha Mare in the Ladies Open.

Congratulations to all competitors.
