

BTC Veteran Championship

It was an exciting and worth watching match for the men's doubles and mixed doubles to determine the champion for the respective events as the results could go either way. In fact, the mixed doubles had a tie break and both couples had not lost a match in the round-robin prior to this final match. Well done and congratulations to all winners and runners up. Also 'thank you' goes to the tournament committee and sponsors for organising and contributing to this event.

The winners and runners up for each category are as listed below.
