

Club Just Misses Out Being Club of the Year

On Friday 28th April the WA tennis industry's night of nights took place. Over 200 people attended the Tennis Industry Awards Night at the Intercontinental Burswood Resort. The Club's Acting President, Dante Giacomini, was sat at table 13 with representatives from Mt Lawley Tennis Club and South Perth Tennis Club, the two other finalists.

When the moment finally arrived the president of each club was called up on stage. The presenter then opened the envelope and announced that Mt Lawley were the winners. They were presented with a block mounted silver plate and \$200. BTC still got a certificate (see photo) and that will be proudly displayed in the clubhouse. We'll try again next year.
