

Social Night – Heart and Soul band

Our social event of the year was supported by about 54 people and all who attended had great fun, let their hair down and enjoyed and danced to the superb music from the 50s to 80s by a live band, a husband and wife team called Heart and Soul. They have performed in various foreign countries in international hotels. They were fantastic! Plans are already underway to have them back again.

It was nice and relaxing especially after pennants to just sit down and unwind and listen to music like Mamma Mia, Dancing Queen, etc. BTC even have a dancing queen in our midst... No prize for guessing who that was; a big hint, starts with an R. We also had platter of nibbles provided for each table and a lucky draw for a hamper.

Special thanks must be made to Rosemary Dunn, Susan Davies, Annette Myors, Jo Moylan, Terry and Ronnie Appleby and all others who helped to make this night a fun and great event. Well done, all who came and supported this event.
