

Trivia Night - 2007

We had just over 100 people who turned out for our quiz night with 12 tables of participants and so the hall was full to its capacity. The winner table was made of people who are not tennis players but nevertheless know their stuff well, even though there were quite a number of questions that related to tennis. Our MC did an excellent job in making this a fun night and so a big thank you goes to Bill Enright (MC), Charmian Barnett and Wendy McClenaghan for their efforts in putting together and executing a fantastic trivia night. Also to Terry and Ronnie Appleby for looking after the bar and everyone else who helped to set up and contributed to making this such a successful night.
