

Trivia Night

Our third time held Trivia Night on Saturday night 30th of May was packed with last minute turn outs. Our Master of Ceremony in the form of Bill Enright, as usual, did a great job in providing the participants with fun and challenging questions that undoubtedly stimulated the minds. Games and songs rendered provided some entertaining spots and a great social get-together. Participant(s) from each table had to sing as part of the competition. We do have some great entertainers in our midst.

Congratulations to the winner tables and all who turned up to make this event a success. Also a huge thank you goes to Bill and his family, Charmian Barnett, Paul Breuer, Dana Merdzan, Dave Wickham and Ernie Short for organizing this event.
